

## Time Worksheets (Half & Quarter Hour)

1. Match each time to the correct clock by drawing a line.

- Quarter to 4

- Half past 8

- 8:30

- 3:45

- 1:15

2. Draw the minute hand on the clock to show the correct time.

3:45

11:30

6:15

## Time Worksheets (Half & Quarter Hour)

1. Match each time to the correct clock by drawing a line.

- Quarter to 4
- Half past 8
- 8:30
- 3:45
- 1:15

Three analog clocks are shown. The first clock shows 3:45, the second shows 8:30, and the third shows 1:15. Lines connect the text labels to the corresponding clock faces.

2. Draw the minute hand on the clock to show the correct time.

3:45

11:30

6:15
