

Telling Time

1. Match the clocks that show the same time.

2. Put the hour hand on this clock so that the clock reads 3 o'clock.

Telling Time

1. Match the clocks that show the same time.

The image shows four analog clocks and four digital clocks. Red lines connect the analog clocks to the digital clocks that show the same time.

Analog Clock	Digital Clock
12:00	12:00
5:00	5:00
8:00	8:00
1:00	1:00

2. Put the hour hand on this clock so that the clock reads 3 o'clock.
